

“Refit / Talisman”

Originally built in 1920, Talisman was not only the first yacht built out of steel by Abeking & Rasmussen, but she is also the oldest yacht constructed by the shipyard still sailing today. Honored to be chosen for this project, it was a fascinating experience to breathe new life into this magnificent yacht and put the Conrad name on a piece of yachting history. In need of a major overhaul, the hull received new insulation, and all possible mechanical and electrical systems were rebuilt, replaced, and modernized. Not content with merely refitting the yacht, the whole of the interior was completely redesigned so that she now features a luxurious owner’s cabin, two double guest cabins, a double crew cabin, two heads, a large dining lounge, and galley. Highest quality Sipo Mahogany was used for the interior, which gives off a rich, warm color, especially when the finish is done just right. In every detail the goal for the interior was to give her a truly classic look, referring to the time when she was first launched. With her newly refurbished wooden masts, rigging and new sails, Talisman is to all intents and purposes a brand new yacht and one, which will give her lucky owner many more years of pleasure.

Mechanical Engineering | Conrad Shipyard
Interior Design | Conrad Shipyard
Year | 2006 (Abeking & Rasmussen 1920)
Type | Ketch
Construction | Steel

Specifications

Dimensions:

Hull Length | 19.36 m (63 ft. 6 in.)
Overall Length | 23.36 m (76 ft. 8 in.)
Waterline Length | 15.00 m (49 ft. 3 in.)
Max Beam | 4.10 m (13 ft. 5 in.)
Displacement | 35 t

Propulsion:

Engine | Volvo Penta D4-180 180hp
Gearbox | ZF
Propulsion | Aquadrive, 3-Blade Max-Prop Automatic Feathering Propeller
Generator | 9.5 kW ONAN
Bow Thruster | Side-Power

Capacity:

Fuel Tanks | 600 l (158.50 gal.)
Fresh Water | 1000 l (264.17 gal.)
Sewage Capacity | 500 l (132.09 gal.)

Equipment:

Air-Conditioning | Dometic
Heater | Eberspracher
Navigation & Communication | Raymarine
Watermaker | Schenker
Paint System | International
Sails | Doyle Classic Design

Sails:

Sail Area | 190 m² (2045.14 ft²)
Gennaker | 240 m² (2583.34 ft²)
Other | Mainsail, Mizzen, 3 Foresails
